

PROFESSIONALS PREFER THE BEST

Radiant, crispy white table-cloths, bed sheets and towels are your most important references. Wash after wash your laundry continuously looks brand new with Tricel Pro System Plus washing powders. Coffee, tea, red wine, tomato, grease and bodily stains are the most persistent stains that are present in your industry. Removing these stains is the power of Tricel Pro System Plus. Combined with a subtle perfume system, which is specially designed for the professional catering and health industry, you can be ensured of spotlessly clean and freshly fragranced laundry.

Tricel Pro System Plus are available in 4 varieties: Biological-Ultra, Non-biological, Colour and 2-in-1. Each product with its own special features to fill the needs of professionals, because "Professionals prefer the best".
